### COUNTY COMMISSIONERS' YEARLY REPORT

In compliance with the laws of the State of New Hampshire, the Board of Hillsborough County Commissioners present their annual report with reports of Treasurer, Clerk of Court, Solicitor, Sheriff, Jailer, County Home Superintendent, Moore General Hospital Superintendent, County Physician, Chaplains and County Extension Service.

The County ended the fiscal year with a sizable cash surplus which was due to increased revenue at the Moore General Hospital.

As mentioned in the Farm and Hospital reports, many repairs and improvements were made during the year 1956. Repairs were also made at the Nashua and Manchester Court Houses. The Judge's Chamber was also built in the Manchester Probate Court room.

The Board of County Commissioners appreciate and wish to thank every organization for all the happiness and comfort given to inmates of the County Home and patients of the Moore General Hospital.

We also want to thank all County Officials, Superintendents of the Moore General Hospital and County Home and all County Employees for their help and cooperation.

To all State Officials, the Mayors of Manchester and Nashua and all City and Town Officials, and all private and public agencies who have given us their cooperation and help, we are very grateful and appreciate everything they have done.

HONORE E. BOUTHILLIER,

### REPORT OF MOORE GENERAL HOSPITAL

To the Honorable Board of Commissioners, Hillsborough County, New Hampshire:

### GENTLEMEN:

Following is a report for the Moore General Hospital for the year ending December 31, 1956:

During the year many repairs and renovations were made in the Hospital and in the Caron Building.

In the Student Nurses Quarters a new wash room was completed and new equipment installed.

This year as in years past many friends and members of organizations visited the patients, bringing gifts and sunshine in one way or another. Many thanks and appreciation are due the following: The Moore Hospital Associates for their many contributions, Knights of Columbus-Manchester Council No. 92, Manchester Rotary Club, Business and Professional Women's Club of Manchester, Shirley Club, Congregational Church of Goffstown, Catholic War Veterans, Manchester Hairdressers Association, Salvation Army, Mary Zoulios and many others too numerous to mention.

On behalf of the Staff and myself I wish to express my sincere thanks and appreciation to the County Commissioners, Doctors on the Medical and Surgical Staff, Mr. Ralph Lavallee, Superintendent County Farm and, to all the Clergy who were so kind to the patients throughout the year.

Respectfully submitted,

MARION G. LAMY, Superintendent.

### COUNTY PHYSICIAN'S REPORT

April 23, 1957

To the Honorable Board of County Commissioners:

The year 1956 was a busy one for the county physician. There were some further changes in the personnel, and better coverage of the farm and jail was instituted. The inmates of the farm now have more privacy during their physical examinations, and there is a larger amount of drugs available for their treatment

The home care of the county cases was carried on as in the past, and more intensive use of the hospital diagnostic services was made. There were many more physicals done on infants and children than in the previous year.

All county personnel gave their usual cooperation, and it was a pleasant task to work with them.

Respectfully submitted,

JEAN N. LECLERC, County Physician.

### CHAPLAIN'S REPORT

January 28, 1957

To the Honorable Board of County Commissioners: Gentlemen:

I am grateful for the honor conferred upon me as a Chaplain in our Hillsborough County Institutions. It is a privilege to serve humanity at any time but ministering to the aged and infirm is a gratifying experience, the fruit of which will be fully known only in the Life Beyond. I am sure that each of you and the personnel in general must sense a portion of this same feeling.

My direct ministry has consisted of services in the Chapel every other Sunday afternoon and periodic visits throughout the Farm and Hospital buildings. I have attempted to bring cheer and hope to each patient or inmate by the testimony of song, Scripture reading, prayer, personal words of counsel or just a cheery hello with a smile, as the case may warrant.

Respectfully submitted,

REV. BRUCE N. GARNSEY,

Protestant Chaplain.

### CHAPLAIN'S REPORT

To the Board of County Commissioners:
Gentlemen:

It has been a great privilege for me to act as Catholic Chaplain of the Hillsborough County Home and the Moore General Hospital throughout this past year and the following is my report to you, the Commissioners of the County of Hillsborough.

This year, as was true of the past year, has given me many happy and rewarding hours with those who have resided at the County Home or who have been patients at the Moore General Hospital. During these hours my only purpose was to enable those people to fulfill their obligations to Almighty God, to receive His Sacraments, to receive His Help and Grace.

Throughout the year, the Holy Sacrifice of the Mass was offered each Sunday morning at the County Home. The other Sacraments were administered regularly to those unable to attend Sunday Mass. The Last Rites of the Church were given to those who were seriously ill or dying. Personal visitation of the various departments of the Home and Hospital afforded additional opportunities to meet the people, to listen to their problems, and to offer them God's consolation. To be a mediator between God and men is the function of a priest, and that I pray has been my work as your Chaplain this past year.

At this time I would like to express by sincerest thanks to you, the Commissioners; to Superintendent, Mr. Lavallee; Assistant Superintendent, Mr. Hurley; Mrs. Angeli, R. N.; to the personnel of the office, Mrs. Kirby and Miss Looney; to each of the department supervisors and to all who have assisted me in my work this year. I would also like to express my appreciation to the Hospital Staff, Mrs, Marion Lamy, Superintendent; to the General Supervisors, to the entire Nursing Staff, and to all who, by day or night, have enabled me to bring God's precious gifts to those who needed them, to the elderly, the sick, the dying.

May we have a continuation of God's Blessings in the year to come.

REV. GEORGE F. HARVEY,

Chaplain.

December 31, 1956.

### SUPERINTENDENT'S REPORT

To the Honorable Board of Commissioners Hillsborough County

GENTLEMEN:

This being my first year serving in the capacity of Superintendent, I wish to report that the year 1956 is being considered a progressive year. Many tangible and intangible improvements were made for better care and comfort of our aged residents and to make the operation of the Hillsborough County Home and Farm more efficient.

Many of the buildings were painted on the outside as well as inside. The men's recreation room was completely alterated and painted, thus giving it a more pleasant atmosphere. A portion of a small dormitory was converted into a permanent chapel thus improving the morale of the elderly residents. The piggery was thoroughly cleaned and painted. A water line was installed to the turkey house. The entrance to the House of Correction was changed to reduce the heat loss, making it more convenient and safer for all concerned. The stonewall along the highway was repaired in parts. The plaster in the Administration Building was replaced and painted. An extensive project of repairing the steam plant was started to prevent the great loss of steam, thereby arresting the rising cost of fuel. The steam and water line to the piggery was completely repaired. A new unit heater was installed in the cow barn. A corn binder was purchased as well as a new tractor.

A registered nurse was hired to improve the physical care of the ailing residents.

Produce of the Farm were as follows: 14,150 dozens of eggs valued at \$6,800.43; milk and cream produce valued at \$19,675.47; chickens raised and dressed for the Institu-

tion, valued at \$2,121.62; turkeys raised and dressed 4449 lbs. valued at \$2,224.50. We cut 184.73 tons of hay valued at 6,465.55;  $4562\frac{1}{2}$  bushels of potatoes were raised for a value of \$5,235.00. Pigs raised and sold in the value of \$1,985.23.

Livestock on hand as of December 31, were as follows: 41 milking cows, 17 heifers, 4 heifer calves, 2 bull calves, 989 laying hens, 21 sows, 130 young pigs, 1 boar, 3 horses.

Be it fully understood that the changes and improvements and the efficient operation of the Hillsborough County Home and Farm would not have been realized without the splendid cooperation of the Board of Commissioners, the members of the Executive Committee, the County Delegation, the Reverend Chaplains, the Home Physician, the Superintendent of the Moore General Hospital, the officers and employees and the men in the House of Correction.

To all organizations too numerous to mention who have helped to improve the morale throughout the year especially during the holiday season.

To all, we extend our sincere thanks and appreciation.

Sincerely and respectfully submitted,

RALPH J. LAVALLEE, Superintendent

# EXTENSION SERVICE HIGHLIGHTS IN HILLSBOROUGH COUNTY

We hope the following facts and figures will serve to outline some of the activities and programs of your County Extension Service during 1956. More detailed annual reports are available for your inspection at the County Extension Office, Post Office Building, Milford, N. H. Telephone Milford 45.

# Agriculture

Farmers in Hillsborough County face difficult problems in today's rapidly changing farm economy, farmers must operate at maximum productive capacity with top efficiency. To do these jobs the farmer must keep up with the newest scientific developments. This is the Extension Agents task to bring useful and timely information to farmers. Farm families were helped by the Extension Service in many ways. A list of a few of the major topics of Extension visits and meetings in 1956 include: business analysis records; social security and income tax; agricultural outlook, marketing; farm buildings construction; development of more good roughage; woodlot management; fruit and vegetable production; livestock production and home grounds care.

More and more work is being done with non-farm groups. Lime and fertilizer recommendations were made on over 600 soil samples, many of these from lawns and gardens in the urban areas. A banker-farmer program was initiated and a retailer marketing program with grocers continued with three well attended meetings being held.

### Home Demonstration

Homemakers faced with the many problems of family living looked to the home demonstration program for help.

Homemakers and their families were helped to build and remodel homes; remodel kitchens; manage time and money; repair home furnishings; repair and construct clothing; buy and prepare nutritious food and guide and care for children.

The Home Demonstration program is carried on in the following towns and cities: Amherst, Antrim, Bennington, Deering, Francestown, Greenfield, Goffstown, Grasmere, Greenville, Hillsboro, Hollis, Hudson, Litchfield, Manchester, Milford, Nashua, New Ipswich, Pelham, Lyndeboro, Temple, Weare and Wilton.

During 1957 the program will be extended to more completely cover Manchester and the surrounding areas and consumer education in foods will be emphasized.

### 4-H Club Work

4-H Club Work services Hillsborough County's boys and girls 9-21 years of age by providing the opportunity to participate in a well rounded program. This program is aimed at developing well adjusted citizens today who may take their place in their community and country as adults tomorrow.

Among the projects available are shop, electricity, home grounds, food preparation, fruit and vegetable raising, dress-making, food preservation, and livestock raising.

The success of the 4-H program depends on volunteer leaders who freely give their time for this worthwhile program. Clubs are found in all towns of the county except Antrim, Bennington and Bedford.

# Forestry

Most of the foresters time is spent with individual woodland owners.

Management assistance to those landowners includes advice on tree planting, proper management, and marketing of lumber or other wood products.

## In Summary

The following statistics list some of the methods used by your Hillsborough County Extension Agents in carrying on the Extension Education program designed to "help people help themselves."

Farm and home visits	1,335
Meetings conducted by agents	331
Attendance at meetings	8,345
Telephone calls	1,674
Office visits	815
Bulletins distributed	7,434
Radio programs conducted	161
News articles written	192
Meetings held by local leaders	805
Attendance at these meetings	8,448

Statistics alone cannot accurately portray the influence of Extension Work. A farm and home visit for example, may be relative to a better barn, a better kitchen, or in relation to a meeting which the local leader will conduct. It is the end result of these many visits, bulletins and meetings that is the ultimate goal of your Extension Program. Extension goals include better homes, better farms and people who are better enabled to assume roles of leadership and productivity in the community.
